

HOLD FAST OUR CONFIDENCE

"Never put a question mark where God has put a period." John R. Rice

Psalms 65:5

Confidence

- * Putting one's trust in something or someone
- * To be full of trust, or to feel safe.
- * Denotes courage, boldness, persuasion, hope, peace in trouble times.
- * Denotes full trust, a belief in someone's powers or abilities to deliver, to help.
- * Signifies assurance, the quality of confidence which leads one to stand under, endure, or undertake anything.

God's people will soon pass through scenes severely testing their faith.

"When He brings His people into strait places, then it is their privilege to assemble together for prayer, remembering that all things come of God. Those who have not yet shared in the trying experiences that attend the work in these last days will soon have to pass through scenes that will severely test their confidence in God. It is at the time His people see no way to advance, when the Red Sea is before them and the pursuing army behind, that God bids them: "Go forward." Thus He is working to test their faith. When such experiences come to you, go forward, trusting in Christ. Walk step by step in the path He marks out. Trials will come, but go forward. This will give you an experience that will strengthen your faith in God and fit you for truest service."
